**QUALIFICATIONS**

Over 20 years of healthcare experience in all aspects of long term care. Experienced in infection control, staff development, staffing ratios, MDS/Care Plans, staff orientation, revision and development of policies and procedures, wound care prevention/treatment/monitoring, weight committee development/monitoring, and compliance with regulatory standards in a JHACO accredited facility.

As a per diem consultant for Safety Training Services, Inc., I devised and/or taught Infection Control classes, CPR classes and Customer Service classes. That led to the development and formation of JSR Training, Inc.

EMPLOYMENT

- February 2017-present **Director of Nurses, Egret Cove Center
