RE: Alternate for Medical Control Board

Mr. Woodrum,

Please consider my nomination for Nancy Hopkins as an alternate on the Pinellas County EMS Medical Control Board (MCB). Nancy would serve in my place in the event I am unable to attend.

Mrs. Hopkins is a Director of Patient Services for BayCare Health Systems and is the liaison to EMS for Morton Plant Mease Healthcare. I truly believe Nancy would be an excellent addition to the MCB.

Thank you for your consideration of the nomination.

Respectfully,

Kris Hoce,
SVP Market Leader N. Pinellas/W. Pasco
President, Morton Plant Hospital
