The Project Director of the grant (listed on this NoA) and the Authorizing Official of the grantee organization are required to register (if not already registered) within HRSA's Electronic Handbooks (EHBs). Registration within HRSA EHBs is required only once for each user for each organization they represent. To complete the registration quickly and efficiently we recommend that you note the 10-digit grant number from box 4b of this NoA. After you have completed the initial registration steps (i.e., created an individual account and associated it with the correct grantee organization record), be sure to add this grant to your portfolio. This registration in HRSA EHBs is required for submission of noncompeting continuation applications. In addition, you can also use HRSA EHBs to perform other activities such as updating addresses, updating email addresses and submitting certain deliverables electronically. Terms and Conditions

Failure to comply with the remarks, terms, conditions, or reporting requirements may result in a draw down restriction being placed on your Payment Management System account or denial of future funding.

Grant Specific Term(s)

1. An additional \$10,000 in expanded services funding and \$25,000 in one-time funding has been provided in this award. You must use these additional funds to enhance implementation and/or advancement of evidence-based strategies to expand access to quality integrated substance use disorder and/or mental health services, as proposed in your SUD-MH application, including the SUD-MH budget request, or revisions, if applicable. You are required to request prior approval from HRSA if some or all of the additional one-time funding will be used to support minor alteration and renovation (A/R) projects, or to purchase unit(s) of equipment exceeding \$5,000.
2. You are expected to increase patients receiving substance use disorder, mental health, and medication-assisted treatment (MAT) services by December 31, 2019, as projected in your Fiscal Year 2018 Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH) Patient Impact Form. Additionally, HRSA will increase your patient target by the projected number of new unduplicated patients listed on your SUD-MH Patient Impact Form. Progress toward achieving projected new patient increases is tracked through the Service Area Competition (SAC). Patient target resources are available at <https://bphc.hrsa.gov/programopportunities/fundingopportunities/sac/index.html>.
3. Pursuant to existing law, and consistent with Executive Order 13535 (75 FR 15599), health centers are prohibited from using Federal funds to provide abortion services (except in cases of rape or incest, or when the life of the woman would be endangered).
4. Your Fiscal Year 2018 Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH) award includes funding as requested and approved in your SUD-MH application, including the SUD-MH budget request, or revisions, if applicable. You may re-budget SUD-MH funding without prior approval, provided that the proposed use of SUD-MH funding aligns with the intent of the SUD-MH funding opportunity and complies with the Uniform Administrative Requirements, Cost Principles, and Audit Requirements for HHS Awards available at <http://www.ecfr.gov/cgi-bin/text-idx?node=pt45.1.75>. Budget adjustments must support your ability to add at least 1.0 full-time equivalent (FTE) personnel who will support substance use disorder and/or mental health service expansion within 8 months of award, and increase patients receiving SUD and/or mental health services according to your patient projections by December 31, 2019. If you did not request one-time funding for minor alteration and renovation (A/R) in your SUD-MH application, you may not propose minor A/R costs or activities post-award.
5. You must report progress toward achieving the personnel and patient increases projected in your Fiscal Year 2018 Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH) application in triannual SUD-MH progress reports. These SUD-MH progress reports, due in January, May, and September, will each cover a 4-month reporting period and require data and a brief summary of SUD-MH implementation progress and barriers on areas outlined in the SUD-MH instructions. You will also report narrative progress toward achieving your SUD-MH outcomes in the Budget Period Progress Report (BPR) Non-Competing Continuation (NCC) submission, starting with the FY 2020 BPR submitted in calendar year 2019. HRSA will also monitor progress toward achieving SUD-MH outcomes through annual Uniform Data System (UDS) report submissions.
6. Fiscal Year 2018 Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH) funding may expand existing services in your approved scope of project as well as support new services related to the delivery of integrated substance use disorder and/or mental health services. New services and/or new service delivery methods must be indicated on Form 5A: Services Provided. Complete a Scope Adjustment or Change in Scope request to update your Form 5A as needed (e.g., add a new service, change the service delivery method from Column III to Column I and/or Column II). If you will use SUD-MH one-time funding to purchase a mobile medical van, you must submit a Change in Scope request to add the van to scope on Form 5B. Scope Adjustment and Change in Scope approvals must be obtained prior to the implementation of a new service or new mobile medical van. See the scope of project resources available at <https://bphc.hrsa.gov/programrequirements/scope.html>.
7. This Notice of Award provides Fiscal Year 2018 Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH) supplemental funding to support your implementation and/or advancement of evidence-based strategies to: 1) expand access to quality

integrated substance use disorder (SUD) prevention and treatment services, including those addressing opioid use disorder (OUD) and other emerging SUD issues, to best meet the health needs of the population served by your health center; and/or 2) expand access to quality integrated mental health services, with a focus on conditions that increase risk for, or co-occur with SUD, including OUD. You must use SUD-MH expanded services funding to support a minimum 1.0 full-time equivalent (FTE) increase in personnel who will expand access to SUD and/or mental health services. You must also expand access to medication-assisted treatment (MAT) services if you were eligible for and requested MAT-focused expanded services funding. You must use SUD-MH one-time funding, if requested, to support the increased access to integrated SUD and/or mental health services.

8. Within 8 months of award, you are required to add at least 1.0 full time equivalent (FTE) in personnel who will support substance use disorder and/or mental health service expansion. Personnel may include direct hire staff and/or contractor(s). You may increase the hours of existing personnel and/or support new personnel in order to meet this requirement. Progress toward the minimum 1.0 FTE increase will be monitored via your responses to Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH) reporting requirements. HRSA may not award year 2 SUD-MH funding if you fail to add at least 1.0 FTE personnel who will expand access to SUD and/or mental health services within 8 months of award (by April 30, 2019). If year 2 SUD-MH funds are awarded, the minimum 1.0 FTE increase must be maintained.
9. You may not use Fiscal Year 2018 Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH) funding for: the purchase or upgrade of an electronic health record (EHR) that is not certified by the Office of the National Coordinator for Health Information Technology (ONC); new construction activities, including additions or expansions, that do not meet the definition of minor alteration and renovation; major alterations or renovations in excess of \$500,000 in total federal and non-federal costs (excluding the cost of allowable moveable equipment); installation of trailers and pre-fabricated modular units; or facility or land purchases. SUD-MH funding must supplement, not supplant, existing resources. All proposed budget items must directly support the SUD-MH funding purpose, as demonstrated in the Budget Narrative attachment and Project Overview Form.
10. This award provides 12 months of Fiscal Year 2018 Expanding Access to Quality Substance Use Disorder and Mental Health Services (SUD-MH) funding for activities covering the period of September 1, 2018 to August 31, 2019. As such, a portion of these funds is provided for use in your upcoming FY 2019 budget period, as applicable, through a carryover request. Carryover of monthly pro-rated expanded services funding and any unobligated one-time funding into and for expenditure throughout the FY 2019 budget period is allowed. To use this funding in the upcoming budget period, the appropriate amount must be shown as un-obligated (UOB) on line 10.h of the Annual Federal Financial Report (FFR), SF 425. In addition, a Prior Approval Request to carry over these funds must be submitted through HRSA Electronic Handbooks (EHB) in conjunction with the FFR submission. Contact the Grants Management Specialist listed on this Notice of Award with questions regarding submission of the FFR and/or Prior Approval Requests to carry over UOB funds.

All prior terms and conditions remain in effect unless specifically removed.
