- Two dental sealant teams
- 40 Title I elementary
- 3 Title I middle schools
- 7,600 children
- 23,000 sealants

# DOH-PINELLAS PRIORITIES

## Pinellas County Opioid Task Force

### Recommended Goals to

## COMBAT THE OPIOID EPIDEMIC

Health care providers, law enforcement, schools, communities and families play a key role in eliminating opioid-related deaths, injuries and misuse in Pinellas County.

Raise awareness on the dangers of opioids by coordinating with schools, health care providers, pregnant women, etc.

Reduce opioid deaths by increasing the availability of life saving treatment to those who are dependent on opioids, their families and their friends.

Connect those in need to available, effective treatment and addiction therapy.

Decrease the supply of opioids by establishing a community wide approach and identifying areas at highest risk.

Improve information sharing efforts within our community to better examine trends of opioid misuse.

# Mental Health

- Mental health is a top priority
- Decrease in life expectancy
- Youth are at the fore front
- Response:
  - Awareness and Education
  - Collaborative Efforts with community partners

# DOH-PINELLAS PRIORITIES

## Health in All Policies

- Strategy to ensure that leaders are informed about the health consequences of various policy options
- Acknowledges that social determinants of health have a profound impact on health
