The proposed Six-Year Plan for Penny projects is shown in the green/white area.

The proposed Six-Year Plan for Penny projects includes projects already included in the Capital Improvement Plan (PROJECTS IN PLAN SUBTOTAL), new requests for projects that will begin in FY20 (PIV PLANNED SUBTOTAL), as well as the countywide investments for Housing and Economic Development Capital Projects.

The total Ten Year Project Requests includes the Six-Year Plan (green/white shaded area), funding for existing projects for FY26-FY30 (gray shaded area of PROJECTS IN PLAN SUBTOTAL), and requested funding for new projects beginning in FY21 and beyond (gray shaded area PIV PLANNED SUBTOTAL).

The PROJECTS IN PLAN SUBTOTAL includes the 3% countywide investment for Court Facilities and Jail (C&J) projects, as well as the recurring projects (see document 5 for recurring projects detail).

Each subtotal category is referenced on the Ten-Year Penny Forecast (document 4) under Expenditures, with the exception of the Court Facilities & Jail projects which is shown separately on the forecast.

The Penny is balanced in the forecast for FY20 only. The Proposed FY20-FY30 Ten-Year Plan exceeds proposed revenue and fund balance by \$253M (see FY30 Ending Fund Balance on the Ten-Year forecast).
