- FY20 Proposed Budget: Enterprise & Governmental
- Project Portfolio Management
- Penny Forecast

Doing Things!

BOARD OF

## **Capital Improvement Program**

- Six-year CIP is updated annually as part of the annual budget process.
- First year of adopted CIP must be balanced and funds legally appropriated.
- Out years reflect a financial and production plan for future capital project needs.
- CIP provides financial and management planning data for future operations and maintenance impacts.

**CIP** Policies

To provide physical facilities that are:

- Responsive to the needs and demands of the public and County government
- Supportive of the long and short range economic, social, and environmental development policies of the County
- Necessary to achieve levels of service identified in the County's adopted Comprehensive Plan
- Aligned with the County's Strategic Plan

**Doing Things!** 

## **Capital Improvement Program**

**CIP** Objectives

- Preserve and improve infrastructure
- Maximize useful life of capital investments
- Identify current and future infrastructure needs
- Establish priorities within available resources
- Improve financial planning by comparing needs and resources
  - Identifying fiscal implications
  - Estimate future borrowing needs
