Subject: RE: Grants - New Intent to Apply Form Submitted - Airport Improvement Program

OMB has no objection to the department submitting a grant application to the US Department of Transportation, Federal Aviation Administration to obtain funding for pavement rehab on the primary runway, new edge lighting on the shoulders and the extension of Runway 04-22 for temporary use while the primary runway is closed.

Requested funding is \$19.8M from the Airport Improvement Program. A \$3.4M County match is required. The source of the match is the Airport Operation and Revenue Fund Reserves. The total project cost is \$23.2M excluding other resources. The project (000035A) is in the Proposed FY20 County Capital Improvement program for the fiscal years 2020 thru 2022.

The Board of County Commissioners signs off on this application. Please include this email when you send the application through Granicus for contract review and Board Agenda.

OPUS Project Title: Runway 18-36 Rehabilitation

Duration: Multi Year

Proposed Abstract (Project Scope of Work): Construct the pavement rehabilitation of PIE's primary Runway 18-36. The grant will also fund new edge lighting on the runway's shoulders. The existing pavement exhibits various types of distresses such as weathering and cracking. The most recent Pavement Condition Index notes values ranging from poor to satisfactory. This project also involves extending Runway 04-22 by 100 feet to allow Allegiant operations while 18-36 is closed.

Benefit Summary (How will this benefit the County, Dept, etc?): Rehabilitation of PIE's primary runway will ensure that all air traffic can continue to operate safely for the next 20 years.

Director Approval (Attach): Yes

Is the proposal submitted for a different Department?: No

If submitting for a different department, what is that department name?:
