**Subject** Pinellas County Beach Closing... Needs to be done NOW.. Not wait until Monday!

**Message**

I heard that you are having an emergency meeting today at 2PM. If you care about us as citizens of this county you need to mandatory close the Beaches NOW... Not wait until Monday. This is a serious issue and you need to protect everyone. It should not be about the money. It is about our safety. After watching the Clearwater meeting last night, I was so disappointed in the leadership feels that if the restaurants are worried about food they have. and rent... Seeing the national news. show how stupid we are here in Florida... is embarrassing. Tampa Mayor did it yesterday... Why are we not doing it...? I am a small business owner and am going to be affected. However, we are doing everything we need to do to protect our employees and customers... If you Do NOT decide to close the beaches NOW, YOU ARE PERSONALLY IN PART RESPONSIBLE FOR THE SPREAD OF THE VIRUS AND THE POSSIBLE DEATH OF MANY OF OUR FELLOW AMERICANS.... CLOSE THE BEACH NOW...

**Subject** Corona Virus

**Message** I understand that there is going to be a special meeting today regarding the possibility of beach closures.

As a resident of Madeira Beach. Here is my say. If the decision is made to close the beaches. Do so for all EXCEPT for residents that live here. Those must provide a DL proving residence.

Although, The tourists and spring breakers are important to the tourism industry. In the end they are here to have a good time and usually throw caution to the wind. As shown in the videos posted from Clearwater Beach.

**Subject** Close The Beaches

---

**Message** I heard that you are having an emergency meeting today at 2:00 PM. If you care about us as citizens of this county you need to close the Beaches NOW... Not wait until Monday. This is a serious issue and you need to protect everyone. It should not be about the money. It is about our safety. After watching the Clearwater meeting last night, I was so disappointed in the leadership. The entire world now thinks everyone in Pinellas County is as ignorant as our governor and president.

What's the hold up. This should have been done already. Shut things down. I am a small business owner and am going to be affected. That's much better than willfully killing people by spreading this virus like the beaches are.

As of 2:00 today, countless lives are on you. Please do the right thing.

CLOSE THE BEACHES NOW...
