

Alternative language to be added in section D:

Non-essential Businesses:

With respect to any for-profit or non-profit business entity (regardless of corporate structure or formation) operating within the County, such business entity is hereby ordered to cease operations within the County that require in-person attendance except as needed to provide Essential Services or engage in minimum business operations. To the extent that business operations may be maintained by telecommuting or other remote means while allowing people to remain at Home, this order does not apply to such remote business activities.

Definition of Minimum Business Operations:

Each of the following is considered to be "Minimum Business Operations" for purpose of this order:

- (a) It is a Minimum Business Operation to engage in any activity needed to maintain the value of a business's inventory, ensure security, process payroll and employee benefits, or for related functions.
- (b) It is a Minimum Business Operation to engage in any activity needed for an employee of the business to continue to work remotely from their Home.
- (c) It is Minimum Business Operation to obtain materials or supplies from the business as needed to work from Home.
