Topic Reopen business: Barbershops

Reopen barber shops and salons! These businesses have been hit hard, many beyond recovery. These businesses are vital, not only to the owners/barbers/stylists/employees, but also to the very well being of the people: their health, sanitation, and mental well being. Without these services many people will suffer. In addition all licensed shops and licensed professionals are trained and follow all health, safety, and sanitation practices set forth by the state. Therefore it is imperative that these businesses being healthy, safe, and sanitary, and without doubt essential reopen and serve their communities immediately. With respect, Jeremy Hurguy
