I am very optimistic that you'll see the need for dog grooming to resume (with restrictions in place) for the safety and health of our pets/ family. Nail trims, bathing, and hair trimming are essential things (especially with the rising temperatures) to keep my dog safe and healthy and are tasks that i, and many other pet owners, are unable to do myself.

Comments With all the surrounding counties grooming pets, why are you punishing Pinellas County residents with the No Grooming order. We are satying 6 ft away via a leash and we are following all social guidlines. When can grooming open ? Pets are in need
