Your Stand on the Issue

Comments

I have some questions on the retail re-opening. 1) Would you confirm that non-essential retail stores like health food stores are able to re-open in 5/4. 2) Are retailers able to use their own employees to make same day local deliveries (rather than the USPS)? These deliveries are dropped at the customer's front door. There is no contact. 3) I do not know the occupancy of my store. It is 1,500 sq ft. I have contacted the Seminole Fire Dept but have not heard back. How do we determine occupancy? 4) Are retailers required to have a plastic shield at the register like Publix & the Post Office? 5) Are retail employees required to wear masks? Thanks so much for your on-going support. Laura
