The Resistance is Rising	We should not allow centuries of Judeo-Christian civilization to be erased under the pretext of a virus, and an odious technological tyranny to be established in which nameless and faceless people can decide the fate of the world by confining us to a virtual reality. The inalienable rights of citizens have in many cases been violated and their fundamental freedoms, including the exercise of freedom of worship, expression and movement, have been disproportionately and unjustifiably restricted. Public health must not and cannot become an alibi for infringing on the rights of millions of people. Authoritative voices in the world of science and medicine confirm that the alarmism about Covid-19 by the media appears to be absolutely unjustified. Not only has the reaction to the pandemic been overblown and wrongheaded it also conceals murky motivations other than the health of citizens.	Ian Oscar Dziubinski	12050 94th Street	Largo	33773
What have you done?	Are you taking your family to the beach? I have my doubts. If you are wise, you will keep your loved ones away. Yesterday, it was crazy on 52nd Av W, St. Pete Beach. People used the Madfish parking lot for access to the beach. I assume because the public beaches reached capacity. The lot was full all day. Large groups of people streamed to the beach. It was like a parade. In my decades of living here, I have never felt so invaded and fearful. I beg each of you. Don't allow this craziness to continue. Don't play around with this virus. W-9 Issue with Pinellas CARES Small Business Grant	money is reported as income for tax purposes requiring a W-9. The W-9 requires a certification/signature regarding perjury. The grant requires and is very adamant in the directions that the info on Line 1 and 2 of the required W-9 and the info on Line 1 and 2 of the application be exactly the same in order to receive a check. If I was a Sole Proprietor or a LLC (Partnership, C-Corp, or S-Corp) this would not be an issue I think. The problem is I am a Single Member LLC. For tax purposes, I file my taxes like a Sole Proprietor, but I am an LLC (but not a Partnership, C Corp or S Corp). So when I complete the W-9 per the W-9 instructions, my name goes on Line 1 as is on my 1040 and my business name/dba goes on Line 2. And the W-9 has the usual certification and signature regarding perjury. So my info will read: Line 1 Robynne Swanson Line 2 Robynne's Daisy, LLC dba Red Hot Tiki The issue appears when I get to the CARES application. Line 1 requires my legal business name and to match Line 1 on the W-9. Line 2 requires my DBA and to match with Line 2 of my W-9. In my case completed as requested on the application it would look like this: Line 1 Robynne's Daisy, LLC Line 2 Red Hot Tiki After a short discussion with someone at the Economic Development Board I was told to change my W-9 to reflect what was required on the CARES application in order to get the check. I have a problem with this. I am sure they did not realize they were inadvertently asking me to falsify the document when clearly no one took into consideration Single Member LLCs when creating the grant requirements. I was also told that I could not do this below on the CARES application because it would read Robynne Swanson dba Robynne's Daisy, LLC dba Red Hot Tiki. And Robynne Swanson is not my legal business name. Line 1 Robynne Swanson Line 2 Robynne's Daisy, LLC dba Red Hot Tiki I am concerned because I will probably be assigned a reviewer this week. I do not want to be put in the situation where I have to chose between the much needed grant money or lie. And dealing with the "rules are the rules" attitude without seeking to understand the issue is frustrating. I have no desire to cause anyone including myself trouble. I would just like a remedy. Please help. I want to do the right thing as a citizen and a small business owner. I have emailed the Economic Development Board as well, but I expect with the volume of requests I will not hear back quickly and this will be left unresolved. Thank you,	Robynne Swanson	2904 Beach Blvd S	Gulfport	33707
