

# Animal Services

## Purpose

To ensure animal-related health, welfare, and safety for the public and the animals of Pinellas County. Services include pet adoption, spay and neuter grant programs, microchipping, found pet reunification services, rabies control, animal bite investigations, dangerous dog investigations, pet licensing, kennel permitting, pet dealer permitting, hobby breeder permitting, code enforcement, and cruelty investigations. The department's activities are closely aligned with the BCC strategic goals to Ensure Public Health, Safety, and Welfare and to Deliver First Class Services to the Public and Our Customers.
