 4. <u>PLANNING TOPICS OF INTEREST</u> A. Restaurant Re-Opening Guidelines Discussion 	Linda Fisher addressed the committee to get feedback regarding how their cities are faring with the restaurant re-openings and following the governors executive order that inside seating can only be at 25% capacity and unlimited outdoor seating if social distancing is maintained. Some local governments are allowing restaurants to utilize parking lots and open spaces to allow for more customers, and in some instances, closing roads to allow for additional outdoor seating. The City of Largo began permitting for outdoor seating free of charge and have had a few businesses apply for permits. The City of Clearwater has closed off an area of Cleveland Street to allow the restaurants to provide additional outdoor seating	

during this time of reopening through the special events process. City of St. Petersburg has published an extensive set of guidelines for additional outdoor seating. The City of Dunedin has permitted restaurants to utilize designated parking spaces for additional outdoor seating. The City of Dunedin has permitted restaurants to utilize designated parking spaces for additional outdoor seating. The City of Dunedin has permitted restaurants to utilize designated parking spaces for additional outdoor seating. The addition of the Residential Rural category to the countywide Rules, which was taken to the Forward Pinellas Board and approved with one dissenting vote from the Tarpon Springs representative. This proposed amendment will be taken to the CPA for the first hearing on June 23, and the second hearing on July 21, 2020. C. Pinellas Planning Council Work Program Rodney Chatman addressed the committee regarding the draft Pinellas Planning Council Work Plan for FY 2021-23. Every two years, the PPC develops a work plan to direct activities of the agency, as well as align projects with the MPO'S UPWP. This approach allows projects and activities to better reflect the priorities of the Strategic Business Plan, the Special Act and more effectively coordinate the financial and staff resources required for more unfiled land use and transportation planning activities. 5. <u>OTHER PAC BUSINESS/PAC DISCUSSION</u> <u>AND UPCOMING AGENDA</u> Rodney Chatman updated the PAC members on the latest information concerning the Forward Pinellas SPOTlight Emphasis Areas Update (Information) 5. <u>OTHER PAC BUSINESS/PAC DISCUSSION</u> <u>AND UPCOMING AGENDA</u> Rodney Chatman updated the PAC members on the latest information concerning the Forward Pinellas SPOTlight Emphasis Areas.
