Comments	Bad decision poor logic. Paul Cozzie, who's an official with Pinellas County over this potential acquisition program, told me that there's \$15 million to spend over 10 years, so if they were to buy Gladys Douglas' property, you know, one purchase one property would have eaten up much of the fund that they want to spread out over multiple properties. Invest in our county's future.

Topic	Gladys Douglas property sale to developers
BCC Agenda Date	9-1-2020
Your Stand on the Issue	Oppose
Comments	<p>As a Dunedin resident who lives in Weathersfield, I am expressing my concern with the sale of the Douglas property to developers. I would like to respectfully request that anything and everything be done to maintain this property and natural habitat to many species of animals and rare plants as s natural space. Please consider pursuing all avenues to have this land preserved as a park for the community to enjoy forever. Dunedin does not need more development, people and traffic. We need to maintain what little nature that is left. Thank you in advance for all efforts to preserve this beautiful open space and ecosystem for Dunedin's natural inhabitants.</p>
