Comments	Please do whatever it takes to make sure the Douglas property becomes a county park. Find grant money, partner with the city of Dunedin. What ever it takes. We cannot lose these 44 acres to builders. How could you have let it get this far? The are cannot support traffic for another 140+ house. Please rescue this pristine area. With the exception of 1 house, this land has never been developed. Once it is gone we will never be able to preserve this again.
