RE: East Lake Overlay Plan Expansion/Correction

Sent via Email

Honorable Commissioners:

On behalf of the Council of North County Neighborhoods ("CNCN"), a non-profit organization that represents many North Pinellas County neighborhood member communities and tens of thousands of their residents, I am writing to convey the overwhelming support of our member residents and the unanimous support of our Board of Directors for the inclusion of the almost 3000 acres in North County, East of Salt Lake, into the existing East Lake Overlay Plan.

We believe it to be an inadvertent oversight in it not being included in the original area for the East Lake Overlay Plan. This overlay plan ensures an appropriate residential aesthetic, in addition to protecting existing natural amenities, of this area. It is an extremely important to area residents that this plan properly covers the complete unincorporated North County area as soon as possible.

Thank you for your consideration of our support regarding this matter. Should you have any questions or if you would like to discuss this matter, please feel free to contact me at timlima@outlook.com or via phone at 727/946-4007.

Sincerely,
