Direction of Inquiry	General Information
Subject	Your help
Message	I voted for you because you spoke about how you would help with the John's pass issue. I was saddened to hear that you sat quietly in the Nov 6th Mad beach meeting, not at all helping or endorsing any solution that was brought to the board. I thought you were a woman of your word? What are doing to help, now that you've been elected? Possibly I missing something... I don't mean to be rude with this message, but I personally have family that work at the pass, and their jobs are at stake here. Not to mention the potential issues with wildlife and safety of kids swimming on that beach.
