I am respectfully requesting that you allow the State of Emergency to expire instead of voting to end the mask mandate. If the State of Emergency expires, the mask mandate will end with it. The BOCC will have the opportunity to implement a new State of Emergency, without the mask ordinance included, immediately after it expires.

Also, by keeping the State of Emergency and mask requirements, you are losing tax dollars daily.

Comments	Please end this ridiculous mask ordinance. If people want to wear one, good for them. If they don't, good for them. We all know the risks and a 99% survival rate is not being changed by masks. Thank you for your time on this topic.

The Pinellas County Commissioners have the State of Emergency listed on your agenda for tomorrow's meeting, item #23. I am respectfully requesting that you allow the State of Emergency to expire instead of voting to end the mask mandate. If the State of Emergency expires, the mask mandate will end with it.
