The Non-AdValorem Surface Water Assessment "under-written" on our County AdValorem Property tax, is not an AdValorem Property Tax "Lien"!

The Non-Advalorem Surface Water Assessment is a "Levy", in support of the Water District, An *Un-Elected* Body of Government that has chosen to "Levy" upon the civilian population, in a ill-defined manner.

Implicating both the County and the Water District,
The Non-Advalorem Water District Levy, in contrast with the Pinellas County AdValorem Property Tax Lien; is the manifestation of a Non-Uniform Billing Practice!
And is a Violation of the "Uniform Rules" Clause of Article 1 section 8 of the US Constitution.

The Levy is seen as "Imposed" in statute 197.363 and "Dictated" in statute 163.3167 (1-D).

The Water District "Levy" is the Formulation of "*Direct Taxation*", in support of an ill-Willed Unelected Body of Government.

The "Levy" is in "Direct Conflict" with the War Powers clause of Article 3 section 3 of the US Constitution.

Furthermore,

Based on Pinellas County Resolution 95-286 section IV (C-2) Pinellas County has been sold, stating "absolute bill of sale with Full Warranties of Title and release of County Lien".
Seen as *Land* sold to the "District" in statute 298.36.

Seen as a Fee(simple) title (30 year transfer of Function and Power) in statutes 373.139, 127.01, 380.08, 170.09 and 180.08.

Transferred to the Water District in statute 373.0691.
"Dissolving" the County in statute 153.03 (7&11).

Intent on "Reconstituting" itself under statute 373.715
Intent on Levying upon the Gentiles.

In its Capture of Water in Article 1 section 8 of the US Constitution.

Seen as a "Ship of War" in Article 1 section 10.

Rebelliously, Birthing Water Jurisdiction under the 14th Amendment.

Seen as "Unwarranted" in the Declaration of Independence.

Subjecting the entire government, both Therein and Thereof, to "High Seas" charges of Constitutional Counterfeiting, making the Entire Establishment none the less an act of Piracy!

"UN-ELECTED" TAXATION WITHOUT REPRESENTATION

373.0697 **Basin taxes.** The respective basins may, pursuant to s. 9(b), Art. VII of the State Constitution, by resolution request the governing board of the district to levy ad valorem taxes within such basin. Upon receipt of such request, a basin tax levy shall be made by the governing board of the district to finance basin functions enumerated in s. 373.0695, notwithstanding the provisions of any other general or special law to the contrary, and subject to the provisions of s. 373.503(3).

(1) The amount of money to be raised by said tax levy shall be determined by the adoption of an annual budget by the district board of governors, and the average millage for the basin shall be that amount required to raise the amount called for by the annual budget when applied to the total assessment of the basin as determined for county taxing purposes. However, no such tax shall be levied within the basin unless and until the annual budget and required tax levy shall have been approved by formal action of the basin board, and no county in the district shall be taxed under this provision at a rate to exceed 1 mill.

(2) The taxes provided for in this section shall be extended by the county property appraiser on the county tax roll in each county within, or partly within, the basin and shall be collected by the tax collector in the same manner and time as county taxes, and the proceeds therefrom paid to the district for basin purposes. Said taxes shall be a lien, until paid, on the property against which assessed and enforceable in like manner as county taxes. The property appraisers, tax collectors, and clerks of the circuit court of the respective counties shall be entitled to compensation for services performed in connection with such taxes at the same rates as apply to county taxes.

(3) It is hereby determined that the taxes authorized by this subsection are in proportion to the benefits to be derived by the several parcels of real estate within the basin from the works authorized herein.

(1)(a) Each county of the state is delegated authority to exercise the right and power of eminent domain; that is, the right to appropriate property except state or federal, for any county purpose. The absolute fee simple title to all property so taken and acquired shall vest in such county unless the county seeks to condemn a particular right of estate in such property.

(b) Each county is further authorized to exercise the eminent domain power granted to the Department of Transportation by s. 337.27(1), the transportation corridor protection provisions of s. 337.273, and the right of entry onto property pursuant to s. 337.274.

373.715 Assistance to West Coast Regional Water Supply Authority.

(1) It is the intent of the Legislature to authorize the implementation of changes in governance recommended by the West Coast Regional Water Supply Authority in its reports to the Legislature dated February 1, 1997, and January 5, 1998. The authority and its member governments may reconstitute the authority's governance and rename the authority under a voluntary interlocal agreement with a term of not less than 20 years. The interlocal agreement must comply with this subsection as follows:

(a) The authority and its member governments agreed that cooperative efforts are mandatory to meet their water needs in a manner that will provide adequate and dependable supplies of water where needed without resulting in adverse environmental effects upon the areas from which the water is withdrawn or otherwise produced.

(b) In accordance with s. 4, Art. VIII of the State Constitution and notwithstanding s. 163.01, the interlocal agreement may include the following terms, which are considered approved by the parties without a vote of their electors, upon execution of the interlocal agreement by all member governments and upon satisfaction of all conditions precedent in the interlocal agreement:

1. All member governments shall relinquish to the authority their individual rights to develop potable water supply sources, except as otherwise provided in the interlocal agreement.
2. The authority shall be the sole and exclusive wholesale potable water supplier for all member governments.
3. The authority shall have the absolute and unequivocal obligation to meet the wholesale needs of the member governments for potable water.
4. A member government may not restrict or prohibit the use of land within a member's jurisdictional boundaries by the authority for water supply purposes through use of zoning, land use, comprehensive planning, or other form of regulation.
5. A member government may not impose any tax, fee, or charge upon the authority in conjunction with the production or supply of water not otherwise provided for in the interlocal agreement.

6. The authority may use the powers provided in part II of chapter 159 for financing and refinancing water treatment, production, or transmission facilities, including, but not limited to, desalinization facilities. All such water treatment, production, or transmission facilities are considered a "manufacturing plant" for purposes of s. 159.27(5) and serve a paramount public purpose by providing water to citizens of the state.

7. A member government and any governmental or quasi-judicial board or commission established by local ordinance or general or special law where the governing membership of such board or commission is shared, in whole or in part, or appointed by a member government agreeing to be bound by the interlocal agreement shall be limited to the procedures set forth therein regarding actions that directly or indirectly restrict or prohibit the use of lands or other activities related to the production or supply of water.

(c) The authority shall acquire full or lesser interests in all regionally significant member government wholesale water supply facilities and tangible assets, and each member government shall convey such interests in the facilities and assets to the authority, at an agreed value.

(d) The authority shall charge a uniform per gallon wholesale rate to member governments for the wholesale supply of potable water. All capital, operation, maintenance, and administrative costs for existing facilities and acquired facilities, authority master water plan facilities, and other future projects must be allocated to member governments based on water usage at the uniform per gallon wholesale rate.

(1) The Legislature declares it to be necessary for the public health and welfare that water and water-related resources be conserved and protected. The acquisition of real property for this objective shall constitute a public purpose for which public funds may be expended.

153.03(5)

(2) The governing board of the district is empowered and authorized to acquire in fee or less than fee title to real property, easements and other interests or rights therein, by purchase, gift, devise, lease, eminent domain, or otherwise for flood control, water storage, water management, conservation and protection of water resources, aquifer recharge, water resource and water supply development, and preservation of wetlands, streams, and lakes. Eminent domain powers may be used only for acquiring real property for flood control and water storage or for curing title defects or encumbrances to real property owned by the district or to be acquired by the district from a willing seller.

(3) The initial 5-year work plan and any subsequent modifications or additions thereto shall be adopted by each water management district after a public hearing. Each water management district shall provide at least 14 days' advance notice of the hearing date and shall separately notify each county commission within which a proposed work plan project or project modification or addition is located of the hearing date.

(a) Appraisal reports, offers, and counteroffers are confidential and exempt from s. 119.07(1) until an option contract is executed or, if no option contract is executed, until 30 days before a contract or agreement for purchase is considered for approval by the governing board. However, each district may, at its discretion, disclose appraisal reports to private landowners during negotiations for acquisitions using alternatives to fee simple techniques, if the district determines that disclosure of such reports will bring the proposed acquisition to closure. If negotiation is terminated by the district, the appraisal report, offers, and counteroffers shall become available pursuant to s. 119.07(1). Notwithstanding this section and s. 253.025, a district and the Division of State Lands may share and disclose appraisal reports, appraisal information, offers, and counteroffers when joint acquisition of property is contemplated. A district and the Division of State Lands shall maintain the confidentiality of such appraisal reports, appraisal information, offers, and counteroffers in conformance with this section and s. 253.025, except in those cases in which a district and the division have exercised discretion to disclose such information. A district may disclose appraisal information, offers, and counteroffers to a third party who has entered into a contractual agreement with the district to work with or on the behalf of or to assist the district in connection with land acquisitions. The third party shall maintain the confidentiality of such information in conformance with this section. In addition, a district may use, as its own, appraisals obtained by a third party provided the appraiser is selected from the district's list of approved appraisers and the appraisal is reviewed and approved by the district.

AMENDMENT XIV

Section 1.

All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No State shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any State deprive any person of life, liberty, or property, without due process of law; nor deny to any person within its jurisdiction the equal protection of the laws.

Section 2.

Representatives shall be apportioned among the several States according to their respective numbers, counting the whole number of persons in each State, (excluding Indians not taxed) But when the right to vote at any election for the choice of electors for President and Vice-President of the United States, Representatives in Congress, the Executive and Judicial officers of a State, or the members of the Legislature thereof is denied to any of the male inhabitants of such State, being twenty-one years of age, and citizens of the United States, or in any way abridged, except for participation in rebellion or other crime, the basis of representation therein shall be reduced in the proportion which the number of such male citizens shall bear to the whole number of male citizens twenty-one years of age in such State.

Section 3.

No person shall be a Senator or Representative in Congress, or elector of President and Vice-President, or hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath, as a member of Congress, or as an officer of the United States, or as a member of any State legislature, or as an executive or judicial officer of any State, to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof. But Congress may by a vote of two-thirds of each House, remove such disability.

Section 4.

The validity of the public debt of the United States, authorized by law, including debts incurred for payment of pensions and bounties for services in suppressing insurrection or rebellion, shall not be questioned. But neither the United States nor any State shall assume or pay any debt or obligation incurred in aid of insurrection or rebellion against the United States, or any claim for the loss or emancipation of any slave; but all such debts, obligations and claims shall be held illegal and void.

Section 5.

The Congress shall have the power to enforce, by appropriate legislation, the provisions of this article.

14th AMENDMENT

He has kept among us, in times of peace Standing Armies without the Consent of our legislatures.

He has affected to render the Military independent of and superior to the civil power

He has combined with others to subject us to jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation:

For Quartering large bodies of armed troops among us?

For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States?

For cutting off our Trade with all parts of the world:

For imposing Taxes on us without our Consent:

For depriving us in many cases, of the benefits of Trial by Jury:

For transporting us beyond Seas to be tried for pretended offences

For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies:

For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments:

For suspending our own Legislatures, and declaring themselves invested with power to legislate for us in all cases whatsoever.

He has abdicated Government here, by declaring us out of his Protection and waging War against us.

He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people.

He is at this time transporting large Armies of foreign Mercenaries to complete the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation.

He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands.

He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions.

In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people.

Nor have We been wanting in attentions to our British brethren: We have warned them from time to time of attempts by their legislature to extend a unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which, would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends.

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

MANIFESTED CAPRICIOUS IN FACT!

380.08 Protection of landowners' rights.—

(1) Nothing in this chapter authorizes any governmental agency to adopt a rule or regulation or issue any order that is unduly restrictive or constitutes a taking of property without the payment of full compensation in violation of the constitutions of this state or of the United States of America?

(2) If any governmental agency authorized to adopt a rule or regulation or issue any order under this chapter determines that, to achieve the purposes of this chapter, it is in the public interest to acquire the fee simple or lesser interest in any parcel of land, such agency shall so certify to the state land planning agency, the Board of Trustees of the Internal Improvement Trust Fund, and other appropriate governmental agencies. Prior to such agency's acquiring such land, the seller of the land shall file a statement with the department disclosing, for at least the last 5 years prior to the conveyance of title to the state, all financial transactions concerning the land and all parties having a financial interest in any transaction.

(3) If any governmental agency denies a development permit under this chapter, it shall specify its reasons in writing and indicate any changes in the development proposal that would make it eligible to receive the permit.
