Date/Time/Comments: 10/8/2018 Amendment Two to Hurricane Irma Grant Funding Agreement No. Z0141 with the State of Florida, Division of Emergency Management for the Federal Emergency Management Agency Public Assistance Grant. The amendment increases funding by FEMA by \$2,664,791.75. Reviewed original funding agreement which is PE to PE. The amendment to increase funding does not require application of insurance requirements.

NOTES: In September 2017, Hurricane Irma made landfall in Florida. As a result, Pinellas County exhausted resources and suffered significant damage from high winds and heavy rainfall. Following impact, the County submitted a Request for Public Assistance to the State of Florida and FEMA for reimbursement of disaster-related costs.

FEMA's Public Assistance program is a federal grant to aid state and local governments in returning a disaster area to pre-disaster conditions. A minimum reimbursement of 75.0% of eligible cost is provided by FEMA and 12.5% by the State to primarily address the repair and restoration of public facilities and infrastructure which have been damaged or destroyed, and the restoration of services which were negatively impacted. The remaining 12.5% is the responsibility of the County as local matching funds.
