The current Public/Semi-Public category is intended to recognize institutional and transportation/utility uses that serve the community or region, especially larger facilities having acreage exceeding the thresholds established in other plan categories, and which are consistent with the need, character, and scale of such uses relative to the surrounding uses, transportation facilities, and natural resource features. The current and proposed Residential Low Medium category is used to depict areas that are primarily well-suited for suburban, low density or moderately dense residential uses at a maximum density of 10 dwelling units per acre. The proposed Residential Medium category is used to depict areas that are primarily well-suited for medium-density residential uses at a maximum density of 15 dwelling units per acre.

In review of the Ordinance above, there may be modifications that arise at the public hearing and/or with other responsible parties.

The proposed Ordinance can be viewed at the Forward Pinellas office, 310 Court St., 2nd Floor, Clearwater, FL, 33756-5137. In addition, you may call Forward Pinellas at (727) 464-8250 or email your questions to [info@forwardpinellas.org](mailto:info@forwardpinellas.org).

The public is hereby advised that the effect of any proposed amendment may significantly impact the type and intensity of use of the subject property and may be of interest to neighboring property owners. The subsequent action of the CPA may amend the Countywide Plan Map from the existing plan category to another plan category as may be determined appropriate based on the public hearings and consistent with the Countywide Plan and procedures related thereto.
