Households Served – The development consists of 20 units that will serve families that have incomes in the following categories:

- 0-30% - 4 households
- 31-50% AMI - 11 households
- 51-60% AMI - 5 households

Staff Recommendation – Staff recommends approval of the funding request for the purchase of land for Whispering Pines. This development received funding from Florida Housing Finance Corporation in April 2021 and needs the Penny IV funding commitment for the underwriting and approval process. The development will provide housing to the special needs population.

Conditions - Success in securing all funding sources, and satisfactory results from due diligence process.

Scoring – The project scored 98 out of 210 available points. Strengths include recent funding commitments and the proposed incomes to be served.

Narrative – Whispering Pines Apartments will be a newly constructed multi-family project providing 20 units of affordable housing. The project will be comprised of 6 one-bedroom, 9 two-bedroom and 5 three-bedroom apartments, allowing the development to serve special needs families with children.

Households Served – The development consists of 204 units that will serve families that have incomes in the following categories:

- 61-80% - 42 households
- 81-120% AMI - 141 households
- Market Rate - 21 households

Staff Recommendation – Staff recommends approval of funding request for construction costs for the Sixty90 on Central project in the requested amount of \$3,500,000. The applicant needs the Penny IV funding commitment as leverage to secure additional HUD funding in spring 2022. The City of Saint Petersburg has committed \$5MM from their Penny IV funds to the project. The developer has site control and is planning to start construction as soon as funding sources are confirmed.

Conditions - Success in securing all funding sources, and satisfactory results from due diligence process.

Scoring – The project scored 135 out of 210 available points. Strengths include funding leverage and it is a mixed income/mixed use development that will provide commercial space on the ground level.

Narrative – The Developer proposes to demolish the existing buildings on site, and construct 204 new multi-family units. The development will provide a mix of affordable units in downtown St. Petersburg. The unit mix will include 83 1/1 units, 102 2/2 units, and 19 3/2 units. 20.59% of the units will be set-aside for tenants whose incomes don't exceed 80% of AMI, 10.29% will be set-aside as "market" units, and the balance will be set-aside for tenants whose incomes don't exceed 120% of AMI.

Estimated Construction Start	September 2021

Households Served – The development consists of 51 units that will serve families that have incomes in the following categories:

- 0-30% - 4 households
- 31-50% AMI - 8 households
- 51-60% AMI - 38 households
- Market Rate – 1 Household (Onsite Manager)

Staff Recommendation – Staff recommends approval of funding request for land acquisition. The developer has a June deadline to secure a Penny IV funding commitment to support other funding applications. The developer has site control and plans to start construction in August of 2021.

Conditions - Success in securing all funding sources, and satisfactory results from due diligence process.

Scoring – The project received a score of 130 out of 210 available points. Strengths include the receipt of funding from the Florida Housing Finance Corporation, and 50 affordable units that will serve households earning 60% AMI or below.

Narrative – Innovare will be a permanent supportive housing campus in downtown St. Petersburg with 51 units. 50 units will be tax credit units where Volunteers of America of Florida, Inc. will be the property manager and general partner. VOA will have corporate office space within the project, which is funded separately from this proposal. One unit is designated as a resident manager unit which is provided rent-free but not classified as affordable. It is anticipated 25+ units will be subsidized through HUD rental vouchers and VASH (Veterans Administration Supportive Housing) vouchers
