Summary:

An Interlocal Agreement was executed on June 2, 2015, between the City of St. Petersburg (City) and Pinellas County for Governance of the South St. Petersburg Community Redevelopment Area (CRA), which specified certain amendments to the Intown Redevelopment Plan (IRP), related Interlocal Agreement and the Intown Redevelopment Trust Fund in order to effectuate establishment of the South St. Petersburg CRA Redevelopment Trust Fund.

On September 3, 2015, the City approved Ordinance 192-H adopting amendments to the IRP in fulfillment of the June 2, 2015 Interlocal Agreement. The County, in accordance with Ch. 163.360 and 163.361 F.S., and County Resolution 08-35, must review and approve the amendments. The proposed amendments are summarized below:

- 1. Increasing the redevelopment program budget by \$20 million to fund improvements identified in

the Downtown Waterfront Master Plan for the Pier District.

2. Updating descriptions to reflect current conditions on downtown blocks.
3. Updating maps and graphics.
4. Amending Appendix A to contain a summary of the Intown Redevelopment Plan's legal documents.
5. Correcting scrivener's errors.

Concurrent with this resolution, the Board will review (1) an ordinance amending the Intown Redevelopment Trust Fund, and (2) amendments to the Intown Redevelopment Area Interlocal Agreement.
