Summary:

This Second Amendment to the Community Development Block Grant Program Subaward Specific Performance and Land Use Agreement CD20SHNFC extends the term of the Agreement three (3) months to allow for project completion and extends the term of the Restricted Period.

Due to the inability to get the necessary materials for the window and door replacement, Mattie Williams NFC is unable to complete the project on or before the expiration date. It is necessary to extend the term of the Agreement three (3) months, to December 31, 2021. As a result of the term extension, it is necessary to extend the term of the Restricted Period three (3) months, restricting the use of the property through December 1, 2028.

This Second Amendment will not have a fiscal impact. The total CDBG investment for this project is not to exceed \$84,305.00.

The Agreement is effective through December 31, 2021. The use of the property is restricted to serving low-to moderate-income households through December 1, 2028.

Background/Explanation:

On September 18, 2020, the County Administrator executed Agreement CD20SHNFC, effective October 1, 2020, through September 30, 2021, with the Land Use Restriction expiring on October 1, 2028.
