CASA has experienced delays in securing an architectural firm for design of the project.

The Agreement requires that performance be completed by December 31, 2022. CASA is unable to complete the project on or before the expiration date. It is necessary to extend the term of the Agreement nine (9) months to September 30, 2023. As a result of the term extension, it is necessary to extend the term of the Restricted Period nine (9) months, restricting the use of the property to serving survivors of domestic violence and their children, to October 1, 2028.

Background/Explanation:

On July 13, 2021, the Board executed Resolution No. 21-47, which approved the 2021-2022 (Fiscal Year 2022) Action Plan. The CASA Facility Improvements project was approved as a facility rehabilitation activity in the Action Plan.

On September 25, 2022, the County Administrator executed the First Amendment to the Agreement which revised the scope of the project to include architectural design plans for the project including installation of a secured automatic entry gate and second entrance and asphalt driveway at CASA's domestic violence shelter.
