Summary:

The Agreement is effective for one (1) year, from October 1, 2022, to September 30, 2023.

Background/Explanation:

In accordance with the adopted Consolidated Plan and Annual Action Plan, it is necessary to enter into a Specific Performance and Land Use Restriction Agreement with qualified agencies to allow for certain activities stated in the Annual Action Plan to be contractually delegated and specify the obligation of the agencies receiving funds in meeting Federal, State and County requirements.

The County received \$2,440,417.00 in CDBG funding for FY23. Funding is to be used to improve neighborhoods, provide decent housing, and create new economic opportunities, with a special focus on serving low- and moderate-income persons.

The CDBG Notice of Funding Availability (NOFA) and application cycle was advertised in the Tampa Bay Times, The Weekly Challenger, La Gaceta and Tre Magazine, posted on the Community Development website, and emailed to nonprofit agencies and local municipalities.

The competitive application process began on January 26, 2022, with applications being due February 25, 2022. Applications were reviewed for funding eligibility and scored by Community Development Division staff. Funding recommendations are based on staff ranking of eligible activities and eligible expenses.
