Recommended Action:

Approval and execution by the County Administrator of the First Amendment to the Specific Performance and Land Use Restriction Agreement (Agreement) with Lighthouse of Pinellas, Inc. (Lighthouse) for facility improvements.

- Increasing the funding to Lighthouse will allow for the replacement of three additional failing HVAC units at the facility.
- The SPA provides an additional \$37,800.00 for a total Community Development Block Grant (CDBG) investment of \$112,073.00 for facility renovations. Lighthouse provides services to the blind and visually impaired.

Strategic Plan:

Ensure Public Health, Safety, and Welfare

2.1 Provide planning, coordination, prevention, and protective services to ensure a safe and secure community

Foster Continual Economic Growth and Vitality

4.2 Invest in communities that need the most

Deliver First Class Services to the Public and Our Customers

5.1 Maximize partner relationships and public outreach

Summary:

The First Amendment to the Specific Performance and Land Use Restriction Agreement will provide

additional CDBG funds for the replacement of newly failing HVAC units at the Lighthouse facility. Lighthouse was awarded funding to replace several HVAC units, upgrade interior lighting and install window tinting at the facility. During preparation of the bid package, it was determined that three additional HVAC units were failing and needed to be replaced. The added cost associated with replacing the additional HVAC units would deplete the funds leaving the energy efficiency upgrades unfunded. It is necessary to amend SPA CD18LH to increase funding to cover the costs of the additional HVAC units.

The First Amendment will also document the increased CDBG investment in the property and extend the restricted period of the Agreement to September 30, 2028.
