The Regional Fund is distributed to Pinellas County government as a Qualified County under the Florida Plan.

Under the Florida Plan, and in collaboration with the City of Clearwater, Pinellas Park, St. Petersburg, and Department of Health established the OAFAB. The OAFAB is tasked with reviewing opioid-related data, setting priorities for regional settlement funding, and after competitive solicitations administered by Pinellas County Human Services, making funding recommendations to the Pinellas County Board of County Commissioners.

**Fiscal Impact:**

Funding in an amount not to exceed \$478,000.00 has been identified in the Human Services Fiscal Year 2024 (FY24) Estimate included with the FY25 Budget Submittal.
