Background Information:

A Request for Negotiations was advertised on November 5, 2021, to lease property owned by the St. Pete-Clearwater International Airport (PIE).

The property, located 900 front feet east of Bayside Bridge, north of Roosevelt Boulevard and west of PIE, was originally developed in the mid 1970's as a restaurant and banquets facility by Specialty restaurants. Over time, the business closed and was subleased to another establishment, The Turtle Club. The Turtle Club eventually closed, and the County terminated the existing lease with Specialty Restaurants and demolished the remaining structure to market.

Fiscal Impact:

Per the agreement (Attachment 1, Section 3a), annual revenues via an Annual Rental Rate of \$.60 per square foot totals \$62,246.85 (FY24), \$186,740.55 (FY25) and \$248,987.40 (FY26-FY83).

This revenue will be payable in monthly rental installments via the following scaled approach (Attachment 1, Exhibit C): Months 0-12 = \$0 Total Annual Payments (TAP) / Monthly Rental Installments (MRI); Months 13-24 = 25% TAP (or \$62,246.85) / \$5,187.24 (MRI); Months 24-36 = 75% TAP (or \$186,740.55) / \$15,561.71 MRI; and Months 37 forward = 100% TAP (\$248,987.40) / \$20,748.95 MRI. The scaled rental payment schedule above is based on the time it will take for the vendor to develop the property.

The Annual Rental Rate is subject to increases beginning five years from the Rent Commencement Date and every five years thereafter based on the Consumer Price Index for all Urban Consumers.

Since there are no fiscal impacts until FY24, no negative budgetary impacts are anticipated for FY23. All future fiscal impacts will be proposed in the respective fiscal year budgets.
