Background/Explanation:

Operation PAR is a comprehensive substance abuse service provider within Pinellas County. This Renewal supports capacity at Operation PAR's detox Program which plays a significant role as the first step toward recovery for Pinellas County adults and families struggling with addiction.

Operation PAR utilizes evidence-based best practices to provide integrated substance abuse and mental health services to its clients. Operation PAR provided mental health and substance abuse detox treatment services to 410 unduplicated clients in FY22.
