Background/Explanation

Pinellas County receives CDBG funds from the U.S. Department of Housing and Urban Development (HUD) under Title 1 of the Housing and Community Development Act of 1974, as amended (42 U.S.C. 5301 et seq.) to provide housing, public services, community development and other assistance to eligible beneficiaries, in accordance with Part 570 of Title 24 of the Code of Federal Regulations (CFR). The CDBG Program is administered by the HCD Department.

On July 13, 2021, the Board of County Commissioners (Board) executed Resolution 21-47 approving Pinellas County's Fiscal Year 2021-2022 Action Plan. As part of the Action Plan, the Board approved CDBG funding for the YMCA of the Suncoast Greater Ridgecrest Facility Rehabilitation, specifically for the replacement of the outdoor game fields including removing, regrading, treating, resodding and rolling fields, in an amount not to exceed one hundred twenty-three thousand, one hundred one dollars (\$123,101.00) (hereinafter the rehabilitation). The YMCA of the Suncoast's Greater Ridgecrest Branch provides comprehensive recreational programming and youth development services at the County-owned Omni Center facility for residents of the Greater Ridgecrest Area.

Pinellas County received \$2,551,626.00 in CDBG funding for FY22. Funding is to be used to improve neighborhoods, provide decent housing, and create new economic opportunities, with a special focus on serving low- and moderate-income persons. CDBG funds must be expended within six (6) years from the date of HUD's execution of the grant agreement. CDBG funds will be the sole source of funding for payment under this MOU.

The CDBG Notice of Funding Availability (NOFA) and application cycle was advertised in the Tampa Bay Times, The Weekly Challenger, La Gaceta and Tre Magazine, posted on the Community Development website, and emailed to nonprofit agencies and local municipalities.

The competitive application process began on February 4, 2021, with applications being due March 5, 2021. Applications were reviewed for funding eligibility and scored by Community Development Division staff. Funding recommendations are based on staff ranking of eligible activities and eligible expenses.

Fiscal Impact:

The total amount of funding for the field improvements is not to exceed \$123,101.00. Funding for this Agreement is included in the County's FY22 Adopted Budget for CDBG funds.
