Summary:

This First Amendment to the CDBG Program Subaward Specific Performance and Land Use Agreement CD22LH provides an additional \$20,852.00 in CDBG funding, increasing the total CDBG investment to \$460,852.00; modifies the scope of the project description; extends the term of the Agreement nine (9) months to allow for project completion; extends the term of the Restricted Period nine (9) months; and increases the required insurance coverage.

The original cost for the project was \$440,000.00, with funding being provided by the County for facility improvements including functionality and safety improvements to classrooms, bathrooms, client areas, and the teen business production area and replacing flooring, lighting, and reconfiguring the auditorium. The bids for the project, which did not include architectural fees, came in higher than anticipated and Lighthouse has requested additional funding to cover the \$20,852.00 need to complete the project and cover the remaining architectural fees.

The Agreement requires that performance be completed by September 30, 2023. Lighthouse is unable to complete the project on or before the expiration date. It is necessary to extend the term of the Agreement nine (9) months to June 30, 2024, to allow time for project completion.

As a result of the term extension, it is necessary to extend the term of the Restricted Period nine (9) months, to July 1, 2024, restricting the use of the property to serving low- and moderate-income blind visually impaired individuals.

As a result of the additional funding being provided, it is necessary to increase the amount of insurance Lighthouse must carry on the property to the amount of the total CDBG investment.

Background/Explanation:

On September 22, 2022, the County Administrator executed CDBG Agreement CD22LH, as recorded in Official Records Book 22210, Page(s) 120 -148, providing CDBG funding for facility renovations to

include functionality and safety improvements to classrooms, bathrooms, client areas, and the teen business production area, and replacing flooring, lighting, and reconfiguring the auditorium at the facility located at 6925 - 112th Circle North, Largo, Florida 33733, benefitting approximately 316 blind or visually impaired individuals. The Agreement was effective October 1, 2022, through September 30, 2023, with the land use restriction expiring on October 1, 2043.

Fiscal Impact:

The total amount of funding for this agreement is not to exceed \$460,852.00 during the term of the Agreement. Funding for this Agreement is consistent with the County's FY23 Adopted Budget and is included in the County's FY24 Tentative Budget for CDBG funds.
