Ensure Public Health, Safety, and Welfare
2.5 Enhance pedestrian and bicycle safety

Foster Continual Economic Growth and Vitality
4.4 Invest in infrastructure to meet current and future needs
4.5 Provide safe and effective transportation systems to support the efficient flow of motorist, commerce, and regional connectivity

Summary:

The purpose of this project is to construct a multimodal trail facility along the Duke Energy transmission corridor from Sunset Point Road to the southern connection of the existing trail overpass at U.S. 19, south of Enterprise Road. This project provides connectivity and expansion of the Trail network, thus enhancing the transportation, recreation, and economic benefits for residents and visitors.

Background Information:

The Duke Energy Trail extension of the Pinellas Trail is located within the Duke Energy right of way

providing the corridor to complete a portion of the Trail Loop from St. Petersburg to Tarpon Springs. The County and Duke Energy have entered into a partnership that provides the corridor for this connection.

Fiscal Impact:

Estimated expenditure not to exceed: \$1,236,988.75

Funding is derived from the Infrastructure Sales Tax (Penny for Pinellas): Transportation, Road and Street Facilities, Pinellas Trail Projects program allocation.
