Summary:

The attached resolution is processed as a public hearing item in accordance with Section 129.06(2)(f), F.S. Notice of this public hearing was published in the Tampa Bay Times on November 20, 2015.

Background Information:

The Sewer Interest and Sinking Fund Fiscal Year 2016 Beginning Fund Balance was lower than anticipated due to the timing of debt service principal payments. Additional funds are needed to make payments and to maintain the reserve level required by bond agreements. The Sewer Revenue and Operating Fund reserves contain sufficient funding to transfer additional funds to the Sewer Interest and Sinking Fund.

In accordance with Section 129.06(2)(f), Florida Statutes, if the source of unanticipated receipts is not specifically associated with a particular purpose such as grants, donations or reimbursements, this

budgetary action requires a public hearing. The attached resolution recognizes unanticipated revenue within the Sewer Interest and Sinking Fund and decreases the beginning fund balance accordingly. It also realigns funds within the Sewer Revenue and Operating Fund from the Reserves program to the Transfers program.

Fiscal Impact:

Approval of this resolution recognizes an increase in the Transfer from the Sewer Revenue and Operating Fund and a decrease in the Beginning Fund Balance in the Sewer Interest and Sinking Fund. Approval of this resolution also realigns appropriation from the Reserves program to the Transfers program within the Sewer Revenue and Operating Fund.
