Summary:

The Fleet Management Division of the Real Estate Management Department is requesting approval for the acquisition of vehicles and equipment which are due for replacement in Fiscal Year (FY) 2016, as they have reached the end of their useful and economic life.

Background Information:

Factors used to determine the end of useful and economic life include but are not limited to: age, life to date, mileage/hours of operation, historical maintenance cost as compared to like vehicles,

operating cost per mile/hour, anticipated and ongoing repairs, and physical condition.

All of the contracts recommended for purchase authorization are competitively bid and awarded by their respective jurisdictions:

1. FSA/FAC is a purchasing cooperative in the State of Florida for police and municipal requirements.
2. NJPA is a purchasing cooperative operating under legislative authority in the State of Minnesota.
3. The HGAC is a regional purchasing cooperative in Southeastern Texas comprising over thirteen counties and 100 cities.
4. U.S. Communities is a national government cooperative purchasing program
5. State of Florida, Department of Management Services, cooperatively bids requirements of agencies throughout Florida.

Fiscal Impact:

Total Expenditure \$10,782,276.36

Funding for this purchase derived from the following:

Vehicle Replacement Plan FY 2016 Equipment Purchase Plan	\$4,573,798.21
