Approval and execution by the County Administrator of the First Amendment to the Community Development Block Grant Program Subaward Specific Performance and Land Use Restriction Agreement (First Amendment) with Homeless Emergency Project, Inc., d/b/a Homeless Empowerment Program (HEP), for permanent supportive housing rehabilitation.

- This First Amendment provides an additional \$23,558.00, for a total Community Development Block Grant (CDBG) investment of \$73,558.00, for costs associated with the rehabilitation of HEP’s permanent supportive housing project.
- Total project costs based on competitive bids exceeds original cost estimates for the project due to unanticipated supply cost increases.
- The First Amendment extends the term of Agreement CD21HEP1357 (Agreement) three (3) months to December 31, 2022, to provide additional time for project completion.
- The First Amendment extends the term of the Restricted Period 27 months, restricting the use of the property through January 1, 2030.
- On November 22, 2021, the County provided \$50,000.00 in CDBG funding to HEP for costs associated with replacing existing windows with energy efficient, impact resistant storm windows, including necessary stucco/drywall repairs, at HEP’s permanent supportive housing site located at 1357 Park Street, Clearwater, FL 33755, benefitting approximately eight low-

and moderate-income homeless individuals and/or families.

Summary:

This First Amendment will provide an additional \$23,558.00 in CDBG funding, increasing the total CDBG investment to \$73,558.00; will provide additional time for the completion of the project, by extending the term of the Agreement to December 31, 2022; and will extend the term of the land use restriction period to January 1, 2030.

Proposals for the project came back higher than anticipated due to supply cost increases. Additional funding is necessary to complete the project. The original estimated cost for the project was, \$50,000.00, with funding being provided by the County. The new cost of the project, based on the lowest bid received, is \$73,558.00. The additional funding is to cover the cost difference.

The Agreement requires that performance be completed by September 30, 2022. HEP is unable to complete the project on or before the expiration date. It is necessary to extend the term of the Agreement three (3) months, to December 31, 2022. As a result of the additional CDBG funding and the term extension, it is necessary to extend the term of the Restricted Period 27 months, restricting the use of the property to serving low- and moderate-income homeless individuals and/or families through January 1, 2030.

Background/Explanation:
