The original Agreement requires that performance under the Agreement be completed by September 30, 2020. Due to the recent pandemic, project commencement was delayed, and permitting delays were experienced due to additional levels of review being required due to the type of project, Directions is unable to complete the project on or before the expiration date. It is necessary to extend the term of the Agreement an additional six (6) months, to September 30, 2021.
