Summary:

This Second Amendment to the Community Development Block Grant Program Subaward Specific Performance and Land Use Restriction Agreement CD20PARCBV extends the term of the Agreement three (3) months to allow for project completion and extends the term of the Restricted Period.

Due to Duke Energy's delay installing the meters needed to complete the project and the subcontractor's permitting delays with the hot water heater, PARC is unable to complete the project on or before the expiration date. It is necessary to extend the term of the Agreement three (3) months, to March 31, 2022. As a result of the term extension, it is necessary to extend the term of the Restricted Period three (3) months, restricting the use of the property through April 1, 2029.

This Second Amendment will not have a fiscal impact. The total CDBG investment for this project is not to exceed \$75,703.00.

The Agreement is effective through March 31, 2022. The use of the property is restricted to serving low-to moderate-income individuals with intellectual and developmental disabilities through April 1, 2029.
