Summary:

This First Amendment to Specific Performance and Land Use Restriction Agreement CD20LH modifies the project description to include costs associated with architectural fees and extends the term and restricted period of the Agreement.

The project description in the original Agreement identified renovations to include upgrades to kitchens and bathrooms, plumbing and electrical systems, and replacing integral structural kitchen appliances (i.e. refrigerator, stove, dishwasher) at the Lighthouse facility through Agreement CD20LH.

This First Amendment will provide additional time for completion of the project by extending the term of the Agreement three (3) months to December 31, 2021, and will extend the term of the restricted period three (3) months, restricting the use of the property to serving the blind and visually impaired through January 1, 2042.

The original Agreement requires that performance under the Agreement be completed by September 30, 2021 and restricts the use of the property to October 1, 2041.
