Background Information:
On July 18, 2017, the County Administrator delivered the FY18 Proposed (Tentative) Budget to the Board. The proposed ad valorem millage rates were then certified to the Property Appraiser on

August 4, 2017 for inclusion in the Truth in Millage (TRIM) Notices. The TRIM notice sets the tentative millage rates, which are the maximum millage rates. TRIM notices were mailed to all county property taxpayers on August 21, 2017, and also contained the notice of the time and place of the first public hearing held on September 14, 2017.

Notice for the second and final Public Hearing was published in the Tampa Bay Times on September 23, 2017 in accordance with Florida Statutes Section 200.065.

Fiscal Impact:

Final approval of the FY18 millage rates and budgets for County-wide, Municipal Services Taxing Units, and other taxing districts is required to comply with Florida Statutes. This will conclude the process of approving appropriations for the fiscal year beginning October 1, 2017.
