Summary:

This First Amendment to the CDBG First Amendment CD21DMH modifies the project description to include the replacement of the entire roof; will provide an additional \$170,77.00 in CDBG funding, increasing the total CDBG investment to \$443,812.00; will provide additional time for the completion of the project, by extending the term of the Agreement to September 30, 2023; and will extend the term of the land use restriction period to October 1, 2043.

A professional inspection and moisture survey of the existing roof has determined that the planned repairs will not substantially increase the lifespan of the roof and that the entire roof should be replaced. Additional funding is necessary to complete the project. The original estimated cost for the project was \$273,035.00, with funding being provided by the County. The new cost of the project, based on the lowest bid received, is \$443,812.00

The Agreement requires that performance be completed by September 30, 2022. Directions is unable to complete the project on or before the expiration date. It is necessary to extend the term of the Agreement 12 months, to September 30, 2023. As a result of the additional CDBG funding and the term extension, it is necessary to extend the term of the Restricted Period 48 months, restricting the use of the property to serving low- and moderate-income individuals and/or families through October 1, 2043.
