Background Information:

On February 17, 2021, the Purchasing and Risk Management Division, in accordance with the Consultant Competitive Negotiation Act (CCNA) and on behalf of the Facilities and Real Property Division, released a request for proposal (RFP) to obtain the services of qualified consulting firms for architectural projects. The ranking of firms was completed May 12, 2021.

An agreement with each of the eight (8) ranked firms has been negotiated by staff and is presented to the Board of County Commissioners for consideration. All rates for prime consultants and sub-consultants were evaluated to determine competitiveness based on current market conditions.

The hourly rates provided by all firms are fully burdened including labor, direct and indirect overhead, profit, and travel within the Tampa Bay Metropolitan Statistical Area (TBMSA). Travel outside of the TBMSA will be reimbursed in accordance with Florida Statutes. The contract term is five (5) years and is effective upon execution of the agreement.

Fiscal Impact:

The upset limit over the five (5) year term of the contract is \$700,000.00 for each firm for a total of \$5,600,000.00.

Funding is derived from various Capital Improvement Programs budgets and/or operating budgets per individual work assignments on a multiple year/multiple work assignment basis.
