Summary:

This First Amendment to the Agreement will provide additional time for the agency to secure a contractor to complete the project, by extending the term three (3) months from September 30, 2021 to December 31, 2021.

The original Agreement requires that performance under the Agreement be completed by September 30, 2021. The project has experienced commencement delays due to the inability to secure a contractor. LANFC is unable to complete the project on or before the expiration date. It is necessary to extend the term of the Agreement three (3) months, to December 31, 2021.

This Amendment will have no fiscal impact. The total CDBG investment for this project is not to exceed \$10,000.00.
