Deliver First Class Services to the Public and Our Customers

5.2 Be responsible stewards of the public's resources

Summary:

This contract provides for land management services on the Cross Bar and Al Bar Ranch property, including tasks related to ecosystem management and forestry management.

Requirements include site security, fire line maintenance, wildfire suppression, gate and fence maintenance, infrastructure and building maintenance, road upkeep, mowing, tree/debris clearing, nuisance wildlife control, and assistance to County and third-party personnel, as needed. Four on site residences and two barns will be provided for use by the land manager and employees, as well as 1600 acres of pastureland.

Background Information:

On August 4, 2023, Purchasing and Risk Management, on behalf of Utilities, issued a request for proposal for land management services. Three proposals were received with award recommendation to 3B as the highest ranked firm. Final negotiated agreement with all accepted terms and conditions was completed on January 30, 2024.

Pinellas County owns approximately 12,381 acres inclusive of the Cross Bar / Al Bar Ranch in north central Pasco County. The Cross Bar Ranch is currently utilized as a regional well field operated by Tampa Bay Water (TBW). A mixed-use Ecosystem Management Plan is currently being implemented which balances water supply operations and resource protection, silviculture, agricultural operations, protection of wildlife, and habitat restoration activities.

Fiscal Impact:

Five (5) year expenditure not to exceed: \$1,690,280.64.

This is sufficiently budgeted for in the FY24 Adopted Budget.

Expenses will be made from Utilities Operating Budget and funding will be derived from the Water Revenue and Operating Fund.
