It is necessary to extend the term of the Agreement three (3) months, to March 31, 2022. As a result of the term extension, it is necessary to extend the term of the Restricted Period three (3) months, restricting the use of the property through April 1, 2042.

This Second Amendment will not have a fiscal impact. The total CDBG investment for this project is not to exceed \$350,000.00.

The Agreement is effective through March 31, 2022. The use of the property is restricted to serving low-to moderate-income blind and visually impaired individuals through April 1, 2042.
