**Subject:**

Case No. CW 24-03 - City of St. Petersburg  
Countywide Plan Map amendment from Office to Multimodal Corridor, regarding 0.41 acre more or less, located at 200 66th Street North.

**Recommended Action:**

Sitting as the Countywide Planning Authority, adopt an ordinance approving Case No. CW 24-03, a proposal by the City of St. Petersburg to amend the Countywide Plan Map from Office to Multimodal Corridor, regarding 0.41 acre more or less, located at 200 66<sup>th</sup> Street North.

- The current use of the property consists of an existing single-family home that was built in 1950.
- The purpose of the proposed amendment is to allow for redevelopment of the property to support multifamily housing with the potential for retail or other permitted mixed uses.
- The applicant’s intent to redevelop the 0.41-acre site to multifamily housing at a density that is not consistent with the current Office Countywide Plan Map designation which only allows a maximum of 15 units per acre.
- The intended use is consistent with the permitted uses and locational characteristics of the proposed Multimodal Corridor category.
- The subject property is located between the Central Avenue and Pasadena Avenue North Multimodal Corridor designation, both areas that has been deemed appropriate to be designated as a Multimodal Corridor, pursuant to the requirements of the Countywide Rules.
- Forward Pinellas and the Planners Advisory Committee each unanimously recommended approval of the proposal.

**Strategic Plan:**
