This Agreement was unanimously approved by the Barrier Island Government Council.

Background Information:

On July 10, 2012 the County and the barrier island municipalities entered into an Interlocal Agreement to complete projects contained within the Gulf Boulevard Improvement Plan funded by the County's distribution of the Infrastructure Sales Surtax (Penny III). The Agreement expired on September 30, 2019. On August 20, 2019 the Board of County Commissioners adopted a resolution authorizing the late payment of any funds allocated in the Agreement for work not completed. The resolution extended the duration of the reimbursement period to September 30, 2021. This agreement will also be funded by the County's Penny distribution, Penny IV, to complete the undergrounding of utilities and other projects as identified in the Gulf Boulevard Improvement Plan.
