Subject:

First Amendment to the purchase authorization agreement with Duval Ford for vehicle and equipment replacement.

Recommended Action:

Approval of the First Amendment to the purchase authorization agreement with Duval Ford for vehicle and equipment replacement.

- This purchase authorization agreement provides the Fleet Management Division with the replacement of heavy, medium, and light duty vehicles and related equipment from Duval Ford.
- This purchase authorization was awarded by the Board of County Commissioners on December 7, 2021, in the amount of \$5,663,579.63 to multiple vendors.
- The First Amendment revises the price of twenty-four vehicles which were not delivered due to unprecedented supply chain disruptions, production shutdowns and shipping backlog increasing the total not to exceed amount by \$459,031.38 for a revised not to exceed amount of \$3,099,921.53 specifically with Duval Ford. Pricing is established from Florida Sheriff's Association Contract No. FSA20-VEH18.0 which has been revised to reflect current pricing.
- This is an issue affecting large cooperative contracts nationwide.
- This amendment is not budgeted for in Fiscal Year (FY) 2023 but will be absorbed by the Vehicle Replacement Plan and the operating budgets of the Public Works and Utilities departments. This is for vehicles that were approved through the vehicle purchase plan in FY22 but failed to meet delivery in FY23 as stated above. Each FY23 budget can absorb these additional costs without the need for a budget amendment.
- This amendment is required to meet the operational needs of the impacted departments.
